

INFORMATION CONCERNING 2011 PERMIT RENEWALS

Permit renewal applications will be mailed out May 2, 2011 to permit holders whose permits expire June 30, 2011.

An important change to permit renewals this year is the elimination of the need for out of state CPAs who hold valid permits in their principal office state that is outside of Kansas, deemed to be substantially equivalent to Kansas, to no longer be required to hold Kansas permits to practice. If an out of state permit holder is employed by a firm that performs attest services, the firm is required to be registered with the Board and provide proof of completion of peer review.

Online renewals will be available; however, in some cases, a person may not be able to renew online.

Please refer to the instructions that accompany the renewal application and if you have any questions concerning your permit renewal, please contact the Board office at 785-296-2162, or by email at info@ksboa.ks.gov
