## **KANSAS BOARD OF ACCOUNTANCY OFFICE CLOSING**

By Order of Governor Laura Kelly, beginning Monday, March 23, 2020, State offices will close for two weeks due to the COVID19 Virus. It is anticipated that all offices will reopen, albeit in a limited fashion, April 6, 2020.

While the office will be closed, we will still respond to emails and telephone calls (if you call the office and leave a voice mail message), although we would prefer that you send us an email to ensure a quick response.

Please direct all questions to us at [ksboa@ks.gov](mailto:ksboa@ks.gov)

We understand that everyone is affected by this, and appreciate your patience during this very trying time.

Stay well and safe.

Best regards,

Kansas Board of Accountancy
