

COVID19 UPDATE FOR EXAM CANDIDATES

Effective immediately, Prometric will close test centers in the United States and Canada for 30 days, with an anticipated reopening of test centers on April 16, 2020. However, the specific date will depend on circumstances that are changing daily. No action is required on the part of the candidate. Prometric will cancel scheduled appointments and clear Notices to Schedule (NTS) for candidates to reschedule at their convenience.

The Kansas Board of Accountancy will extend all NTS with expiration dates of April 1-June 30, 2020 until September 30, 2020. Please monitor NASBA's website and social media channels for updates on when the NTS extensions are completed.

NASBA will identify all candidates who have an open NTS and credit expiring through June 30, 2020 and provide this information to us, whereupon the Board will consider granting, on a case by case basis, extensions of credit, if the candidate is impacted by circumstances beyond their control.

The Board of Accountancy office will be shut down commencing March 23-April 6, 2020, so any consideration to extend conditional credit will not be considered until the Board is back and fully functional.

Thank you for your patience during this trying time. Stay safe and well.

Best regards,

Susan
